Lot# 908 grade only with house plans to follow. Asked to please submit plans soon as, to the fact I really am not comfortable with allowing this situation. Know the location of home. (approved)

Lot# 874 grade only at this time, with pad and septic in place. Plot shows home placement. (approved)

Lot# 984 grade only, request home plans soon. Have plot layout for it but no plans. All three of these lots are in same area. Which is why I'm a little hesitant to ok. I can find however no reason in rules to disallow. They are big lots, my fear is that when they start to build the home plans are not what is on plot. (approved)

Lot# 371 Solar (roof mount) (approved)

Adjourned: 7:45
