

**Minutes for KIVA Committee
Meeting Minutes**

May 5, 2016

The meeting was called to order at 6:35 pm at the KIVA.

Ray Belluomini, Renee Irwin, and Rob Adamson were present.

The following projects were discussed.

Project	Notes
4 th of July decorations	Some items were purchased – more are needed
North side electric lights for the ramp. Will make launching after dark safer.	3 new lights are in with only 1 more to go down at the end of the ramp.
Reflective painting on the launch ramp	
A patch of cement around the dumpster	Discussed using rapid set.
Stencil on docks where jet skies can dock	
Cleaning the docks pressure wash	The pressure washer is still in the shop to be fixed
Reflective tape on railing.	Hey Steve Henson!!!
No Parking zone for boats stencil on parking lot. Staging boats in the parking lot blocks launching operations.	Some “No Parking” on the parking lot have been done, going to put a few more...

Meeting was adjourned at 6:50.

Respectfully submitted
