Valentine's Dance: Becky is going to get a couple of Deli Rollers & the Meat & Cheese platters from Costco, along with the crackers, chips, waters, wine, & beer. Melinda will pick up the small plastic glasses at the family dollar. Melinda will order the cupcake cake at IGA and pick up the veggies there to put together a tray or two. Melinda is going to make up small welcome to the Valentine's Dance cards with the 2 red drink tickets attached to pass out once the member signs in. Becky said she would work the sign in table and her kids would like to help decorate. Need to find a volunteer to distribute the wine & beer.

Spring Fling: Went over the purchase orders for the ponies, eggs, fillers, bendable, potato sacks, tug a war rope, & the food amount Howard Karlin proposed for tacos. Everyone thinks that the meat prices were a bit high, Sandy is going to get a quote to Melinda before the Board meeting on the 15th so I can put it in the book and decide on which one to go with. Melinda will not be able to attend this event. ☹️ Will need volunteers to man each event. Events are.... Ponies (star ponies will attend this station), Potato Sack races, Tug-a-war, Basketball, Horse shoes, coloring station, ETC will have a table preferably by the ponies so they can educate people on pony/horse safety. Kalia Gaffney volunteered to do spring decorations and will need supplies to get the decorations made – requested \$50. Information will be sent to the office for a PO to be made and purchase done. Food TBD.

Summer Bash: Talked about a redneck/hillbilly theme. Homemade doublewide waterside competitions, Wheelbarrow races, mason jar decorations – Denise offered the use of hers if we need them. We just touched on this topic a little bit. Need to get date approved.

Kids Halloween: Thoughts of making a maze in the hall, costume contest, need to get event and date approved

Christmas Movie in The Park: Mentioned that we need to start collecting gifts for the kids to hand out. Purchased 2 outside space heaters (approved for purchase Jan 18th). Event date needs to be approved by Board.
